## Wagering Requirements and Bonus Expiration

Welcome Bonus granted is an immediate bonus for use on casino products on the Site. An immediate bonus are bonus funds that are awarded in a restricted state and may be wagered with immediately upon grant.

If you have a pending bonus, the release of the new bonus will begin only once all previous bonuses have been released.

Wagering requirements for the release of each bonus will only begin to apply once the previous bonuses are released; however, time limits for bonus expiry are counted from the moment the relevant bonus is granted.

Welcome Bonus must be wagered 30 times within 60 Days of the Day on which such Welcome Bonus is credited to your account before being withdrawn. For example, to withdraw a \$20 Welcome Bonus, you must wager \$600. If wagering requirements are not met within 60 Days of the Day on which such Welcome Bonus is credited to your account, such Welcome Bonus and the winnings generated from such will be forfeited by you and will be removed from your account.

Wagers placed in casino games may contribute at different rates towards the wagering requirement. The list of contribution rates for individual game type can be found here. General Terms (see further down on page)

For this Promotion, a "Day" will begin at 7:00 PM and ending on the following day at 6:59 PM.

If you withdraw the deposit used to generate the Welcome Bonus prior to satisfying the wagering requirements, the Welcome Bonus amount (and any winnings generated through the wagering of such Welcome Bonus funds) will be forfeited by you.

Withdrawals from your account are subject to the terms of our Withdrawal Policy. We may modify the terms of this Promotion or terminate this Promotion at any time. Other than where necessary to prevent fraud or other similar unlawful behavior, any such modification or termination will not apply to the relevant Welcome Bonus already earned by you through making a Qualifying Deposit in accordance with the Promotion prior to the date of the communication of the modification or termination (and any winnings generated through the wagering of such Welcome Bonus).

If for any reason the Promotion is not capable of running as planned, including infection by computer virus, bugs, tampering, unauthorized intervention, fraud, technical failures, or any other causes within or beyond our control which corrupt or affect the administration, security, fairness, integrity, or proper conduct of the Promotion, we reserve the right at our sole discretion to cancel, terminate, modify or suspend the Promotion, and in the occasion the Promotion is so terminated, any Welcome Bonus and associated winnings will be forfeited by you.

### **General terms**

#### Eligibility

The terms and conditions for any bonus are to be read in conjunction with: the us.888.com ("888") Terms of Service ("Terms of Service"), and any terms specific to such bonus ("Specific Terms").

Unless otherwise stated herein, in the event of a conflict between this Bonus Policy and the Terms of Service or Specific Terms, the Terms of Service or this Bonus Policy shall prevail. In the event of any conflict between the Terms of Service and this Bonus Policy, the Terms of Service shall prevail, unless otherwise stated herein.

To be eligible for bonuses, players must have a valid and verified 888 real-money account.

Caesars Interactive Entertainment New Jersey, LLC (“CIE”, or “we”, or “us”) reserves the right to limit any bonus to one per player at our sole discretion.

#### General Bonus Policy Terms and Conditions

This Bonus Policy applies to all bonus or promotional funds received in excess of regular funds.

At our sole discretion, we may amend or modify the terms of any bonus promotion. For security and verification purposes, we reserve the right to limit the participation in any bonus promotion to: (i) one per household; (ii) one per computer terminal; or (iii) one per mobile device (if applicable).

Players may be required to submit a claim for any bonus they are offered. Failure to claim an offered bonus and/or provide a valid email address, if one is required, may render such bonus offer void.

We will deposit all bonuses into a player's account within seventy-two (72) hours of the player becoming eligible to receive them.

“Pending Bonuses” are bonus funds awarded in a restricted state that may not be accessed nor wagered with, but are released into a player’s real-money bankroll incrementally as he accumulates Bonus Points. Unless otherwise stated in a bonus’ Specific Terms, \$10 in bonus funds will be released into a player’s bankroll for every 100 Bonus Points earned. No bonus funds are released for Bonus Points earned that only partially fulfil an incremental Bonus Point threshold.

“Immediate Bonuses” are bonus funds that are awarded to a player in a restricted state and may be wagered with immediately upon grant. Unless otherwise stated in a bonus’ Specific Terms, all immediate bonuses, and winnings generated with wagers placed with such funds, may be withdrawn only after a player has collected 3 Status Points per every \$1 of the received bonus amount. For example, a player must first accumulate 30 Status Points before withdrawing a bonus totalling \$10.

An explanation as to how Status Points and Bonus Points are accumulated can be found here .

In the event that we, in our sole discretion, determine that a player is abusing, or otherwise acting in bad faith in relation to any bonus or promotional offering, we reserve the right to terminate a player’s account and/or withhold funds in a player’s account pursuant to our Terms of Service, subject to applicable laws and regulations.

We reserve the right, in our sole discretion, to withhold the amount of any bonus from a player's withdrawal in accordance with our Terms of Service.

Unless otherwise stated in a bonus’ Specific Terms, players must fulfill the bonus’s wagering requirements within thirty (30) days of a bonus being credited to their account (the “Expiry

Date"). If such wagering requirements are not satisfied before the Expiry Date, bonus funds and any winnings generated from the wagering of such bonus funds will be removed from a player's account.

A player's account is made up of both Available Funds (those that can be used in any applicable game or withdrawn subject to the Withdrawal Policy) and Restricted Funds (the total of bonus funds that have not yet met the wagering requirement and any winnings associated with such bonus funds). If you have both Available Funds and Restricted Funds in your account, the next wager you make will use Restricted Funds first. Available Funds will only be used once your Restricted Funds balance is zero.

We reserve the right, at our sole discretion and at a time of our choosing to revoke bonuses or any parts thereof.

Any winnings generated from wagers placed, whether in whole or in part, with bonus money, shall be paid to the winning player as follows:

a payment to the player's real-money bankroll up to the nominal portion of the wager, if any, that was funded with real money;

a payment to the player's 'bonus wallet' up to the original amount of bonus money used to fund the wager, or up to the amount that was in the player's 'bonus wallet' prior to funding the wager, whichever is greater; and

(a) in relation to the poker offering, a payment of remaining winnings, if any, to the player's real-money bankroll; or (b) in relation to the casino offering, a payment of remaining winnings, if any, to the player's 'bonus wallet'.

If the funds initially deposited by a player in order to generate or claim a bonus are withdrawn prior to wagering requirements having been satisfied, the bonus amount (and any winnings which may have been generated through the wagering of the bonus funds) will be forfeited.

On the poker offering, if a player buys entry into a poker tournament using bonus funds, and such funds expire before the tournament is played, the player will not be unregistered from the tournament, but rather will have the amount of the tournament buy-in deducted from his real money account.

A player may have multiple bonuses in his account, but no wagers made may contribute to satisfying the wagering requirements applicable to more than one bonus at once. Wagers will contribute first toward satisfying the wagering requirements of bonuses awarded to a player earlier-in-time. Only upon satisfaction of the wagering requirements applicable to such bonus (or the expiration or cancellation of the bonus) will wagers then contribute toward satisfying the requirements of the bonus awarded next-in-time.

Bonuses may be restricted to being used only for specific game types (e.g. restricted to poker or casino games only, or to certain poker or casino games).

In the event we believe that a player was abusing or attempting to abuse a bonus offered by us, we may, in our sole discretion, deny, withhold or withdraw from such player's account any bonus amount together with any winnings derived from wagers made, in whole or in part, with such bonus funds.

Wagers placed in casino games may contribute at different rates towards the wagering requirement. The following is a list of contribution rates for individual game types:

Tournament Tickets For The Poker Offering

The following terms and conditions for Tournament Tickets will apply to all eligible players:

A Tournament Ticket is an entry ticket to an online tournament with fixed value that we may grant to eligible players as a type of bonus (each, a "Tournament Ticket"). Tournament Tickets can be used in scheduled tournaments and in 'Sit & Go' tournaments.

A Tournament Ticket will be valid only to selected tournaments with the same buy-in value as the Tournament Ticket, as we may decide in our sole discretion, and cannot be used in any other tournament.

We may at any time, change the tournaments for which a Tournament Ticket may be used.

A Tournament Ticket cannot be redeemed for cash.

Tournament Tickets cannot be joined together in order to be used for a tournament with a buy-in higher than the face value of each individual Tournament Ticket.

Tournament Tickets are not transferable (i.e. they cannot be transferred from one player to another player).

Each Tournament Ticket has an expiration date that is set in our sole discretion. Once a Tournament Ticket has expired, the player will not be able to use it anymore and it will have no value.

In the event that a tournament is cancelled before it starts, a player who registered for such tournament with a Tournament Ticket will be eligible to keep such Tournament Ticket and use it for entry into another tournament unless otherwise stated in the Specific Terms. If the tournament is cancelled after it starts, the player will be compensated for such cancellation, as if he had used cash to register for such tournament, in the same way that other players in such tournament are compensated unless otherwise stated in the Specific Terms.

Eligible players can access their Tournament Tickets from the 'My Tournament Tickets' page (under 'My Profile' tab) or directly from the poker games lobby.
