For Example: If I play \$125 on Scratch Games → I release it, as they count 100%.

Table Games, Roulette, Live Dealer (all games), Video Poker, Baccarat, Craps: 20%

Order of Funds Used for Wagering:

After the player's account is credited with a bonus and the player starts a new game session, the bonus will be used first to complete wagering requirements. Upon completion of wagering requirements, any winnings will be credited to the player's cash balance, and any subsequent wagers will be debited from the cash balance.

For the Deposit Match bonus, deposit amount + bonus amount + any winnings are restricted until the wagering requirement is completed. The restricted amount is wagered first, followed by the available balance.
