HarrahsCasino.com Bonus Policy

1. The terms and conditions for any bonus are to be read in conjunction with:

(i) the HarrahsCasino.com Terms of Service (“Terms of Service”), and

(ii) any terms specific to such bonus (“Specific Terms”).

Unless otherwise stated herein, in the event of a conflict between this Bonus Policy and the Terms of Service or Specific Terms, the Terms of Service or this Bonus Policy shall prevail. In the event of any conflict between the Terms of Service and this Bonus Policy, the Terms of Service shall prevail unless otherwise stated herein.

2. To be eligible for bonuses, players must have a valid and verified HarrahsCasino.com real-money account.

3. Caesars Interactive Entertainment New Jersey, LLC (“CIE”, or “we”, or “us”) reserves the right to limit any bonus to one per player at our sole discretion.

General Bonus Policy Terms and Conditions

This Bonus Policy applies to all bonus or promotional funds received in excess of regular funds.

At our sole discretion, we may amend or modify the terms of any bonus promotion.

For security and verification purposes, we reserve the right to limit the participation in any bonus promotion to: (i) one per household; (ii) one per computer terminal; or (iii) one per mobile device (if applicable).

Players may be required to submit a claim for any bonus they are offered. Failure to claim an offered bonus and/or provide a valid email address, if one is required, may render such bonus offer void.

We will deposit all bonuses into a player's account within seventy-two (72) hours of the player becoming eligible to receive them.

"Pending Bonuses" are bonus funds awarded in a restricted state that may not be accessed nor wagered with, but are released into a player's real-money bankroll incrementally as he accumulates Tier Credits. Unless otherwise stated in a bonus' Specific Terms, \$10.00 in bonus funds will be released into a player's bankroll for every 160 Tier Credits earned. No bonus funds are released for Tier Credits earned that only partially fulfil an incremental Tier Credits threshold.

"Immediate Bonuses" are bonus funds that are awarded to a player in a restricted state and may be wagered with immediately upon grant. Unless otherwise stated in a bonus' Specific Terms, all immediate bonuses, and winnings generated with wagers placed with such funds, may be withdrawn only after a player has collected 2.5 Bonus Points per every \$1 of the received bonus amount. For example, a player must first accumulate 25 Bonus Points before withdrawing a bonus totalling \$10.

An explanation as to how Tier Credits and Bonus Points are accumulated can be found here.

In the event that we, in our sole discretion, determine that a player is abusing, or otherwise acting in bad faith in relation to any bonus or promotional offering, we reserve the right to terminate a player's account and/or withhold funds in a player's account pursuant to our Terms of Service, subject to applicable laws and regulations.

We reserve the right, in our sole discretion, to withhold the amount of any bonus from a player's withdrawal in accordance with our Terms of Service.

. If such wagering requirements are not satisfied before the Expiry Date, bonus funds and any winnings generated from the wagering of such bonus funds will be removed from a player's account.

A player's account is made up of both Available Funds (those that can be used in any applicable game or withdrawn subject to the Withdrawal Policy) and Restricted Funds (the total of bonus funds that have not yet met the wagering requirement and any winnings associated with such bonus funds). If you have both Available Funds and Restricted Funds in your account, the next wager you make will use Restricted Funds first. Available Funds will only be used once your Restricted Funds balance is zero.

We reserve the right, at our sole discretion and at a time of our choosing to revoke bonuses or any parts thereof.

Any winnings generated from wagers placed, whether in whole or in part, with bonus money, shall be paid to the winning player as follows:

(i) a payment to the player's real-money bankroll up to the nominal portion of the wager, if any, that was funded with real money;

(ii) a payment to the player's 'bonus wallet' up to the original amount of bonus money used to fund the wager, or up to the amount that was in the player's 'bonus wallet' prior to funding the wager, whichever is greater; and

(iii) a payment of remaining winnings, if any, to the player's 'bonus wallet'.

If the funds initially deposited by a player in order to generate or claim a bonus are withdrawn prior to wagering requirements having been satisfied, the bonus amount (and any winnings which may have been generated through the wagering of the bonus funds) will be forfeited.

A player may have multiple bonuses in his account, but no wagers made may contribute to satisfying the wagering requirements applicable to more than one bonus at once. Wagers will contribute first toward satisfying the wagering requirements of bonuses awarded to a player earlier-in-time. Only upon satisfaction of the wagering requirements applicable to such bonus (or the expiration or cancelation of the bonus) will wagers then contribute toward satisfying the requirements of the bonus awarded next-in-time. Bonuses may be restricted to being used only for certain casino games.

In the event we believe that a player was abusing or attempting to abuse a bonus offered by us, we may, in our sole discretion, deny, withhold or withdraw from such player's account any bonus amount together with any winnings derived from wagers made, in whole or in part, with such bonus funds.

If you wish to withdraw bonus funds or winnings from such funds, please see our Withdrawal Policy.

We reserve the right, in our sole discretion, to restrict eligibility for any bonus offer to a limited category or subset of players.

Notwithstanding the modification provisions in the Terms of Service, we reserve the right, at our sole discretion and at a time of its choosing, to withdraw, revoke or amend any bonuses and promotional offers, or any parts thereof.

Players may request that any bonus for which the associated wagering requirements have not been satisfied be removed from their account by contacting Support at njsupport@HarrahsCasino.com.
