### 3. QUALIFYING REQUIREMENTS

3.1 This Promotion is available to new Patrons who register for a Patron account on Virgincasino.com who have not yet completed both their First Deposit, as defined in Section 3.2 below, and their First Wager, as defined in Section 3.2 below.

3.2 During the Promotional Period, new Patrons must place a first deposit of not less than \$10 in cash into their Patron account ("First Deposit") and place a first wager, either in the form of Bonus Money or cash (the "First Wager").

3.3 At the time and date you have completed both a First Deposit and a First Wager (the "P2P Date"), a seven (7) calendar day period will commence ("7 Day Period"). The 7 Day Period is calculated as the P2P Date plus six (6) calendar days and will end at 11:59pm (EST) on the seventh (7th) calendar day following the P2P Date.

3.4 A withdrawal of any kind from your Patron account at any time prior to or during the 7 Day Period will automatically disqualify you from the Promotion.

### 4. CALCULATION OF PLAY BACK BONUS AND NET LOSS

4.1 "Net Loss" will be calculated according to the following formula: from the date of a Patron's registration, up to and including any time during the 7 Day Period, a Patron's Net Loss is equal to the Patron's Total Wager minus the Patron's Total Winnings. A Net Loss must be greater than \$0. "Total Wager" is defined to include wagering of both cash and Bonus Money. "Total Winnings" is defined to include all cash won by a Patron from their wagering activity of cash and/or Bonus Money prior to and during the 7 Day Period as well as any cash and/or Bonus Money credited to the Patron's account from any promotion or activity whatsoever prior to and during the 7 Day Period.

The following are examples of calculating Net Loss, Total Winnings, and Total Wager:

(a) If a Patron places a \$10 First Deposit and receives \$5 in Bonus Money, wagers a total amount of \$14.00 which includes \$9 of the First Deposit in cash and the \$5 in Bonus Money, and such wagers do not receive any winnings prior to or during the 7 Day Period, a Patron's Total Wager, Total Winnings, and Net Loss would be calculated as follows:

Total Wager = \$14 (\$9 of the First Deposit plus the \$5 wagered in Bonus Money)

Total Winnings = \$5 (the Patron did not have any winnings derived from their wagering activity; however, they received \$5 in Bonus Money)

Net Loss = \$9.00 (Total Wager (\$14) minus Total Winnings (\$5), which is greater than \$0 so the Patron has a Net Loss).

(b) If a Patron places a \$10 First Deposit and receives \$5 in Bonus Money, wagers a total amount of \$14.00, which includes \$9 of the First Deposit in cash and the \$5 in Bonus Money, and the Patron wins \$20 in cash prior to or during the 7 Day Period, a Patron's Total Wager, Total Winnings, and Net Loss would be calculated as follows:

Total Wager = \$14 (\$9 of the First Deposit wagered in Cash and the \$5 wagered in Bonus Money)

Total Winnings = \$25 (\$20 in cash from their wagering activity plus \$5 in Bonus Money received)

Net Loss = \$0 (Total Wager (\$14) minus Total Winnings (\$25), which is less than \$0, so the Patron has not had a Net Loss).

(c) If a Patron places a \$10 First Deposit and receives \$5 in Bonus Money, wagers a total amount of \$14.00, which includes \$9 of the First Deposit in cash and the \$5 in Bonus Money, wins \$3 prior to or during the 7 Day Period, and receives \$10 in Bonus Money from another promotion, a Patron's Total Wager, Total Winnings, and Net Loss would be calculated as follows:

Total Wager = \$14.00 (\$9 of the First Deposit wagered in cash and the \$5 wagered in Bonus Money)

Total Winnings = \$18 (\$3 in cash derived from their wagering activity plus \$15 in Bonus Money received)

Net Loss = \$0 (Total Wager (\$14) minus Total Winnings (\$18), which is less than \$0, so the Patron has not had a Net Loss).

4.2 Play Back Bonuses are calculated as follows:

4.2.1 If a Patron's Net Loss, at any time within the 7 Day Period, exceeds 90% of the value of their First Deposit, the Patron will receive a cash reward equal to the value of their First Deposit in cash, up to a maximum of \$100 in cash ("First Deposit Cash Reward"). For example, and continuing the above example (a), 90% of the Patron's First Deposit equals \$9 and, if on day 3, the Patron's Net Loss exceeded \$9.00, the Patron will receive a First Deposit Cash Reward in the amount of \$10 (the value of their First Deposit) in cash credited to their Patron account.

4.2.2 If the 7 Day Period ends and the Patron's Net Loss does not exceed 90% of the value of their First Deposit, the Patron will receive a cash reward equal to the value of their Net Loss at the end of the 7 Day Period in cash, up to a maximum value of \$100 in cash ("Total Wager Cash Reward"). For example, if the Net Loss for the Patron was \$1 at the conclusion of the 7 Day Period, which does not exceed 90% of their First Deposit, the Patron will receive a Total Wager Cash Reward in the amount of \$1 (the value of their Net Loss) in cash credited to their Patron account.

4.3 Patrons only are eligible to receive either a First Deposit Cash Reward or a Total Wager Cash Reward, whichever occurs first. They cannot receive both a First Deposit Cash Reward and a Total Wager Cash Reward.

## 5. PAYOUT PROCEDURE AND PRIZE REDEMPTION

5.1 The total amount of the First Deposit Cash Reward or the Total Wager Cash Reward, as applicable, will be communicated to qualifying Patrons the day after they qualified for the reward. The First Deposit Cash Reward or the Total Wager Cash Reward, as applicable, earned will be credited to Patrons' online accounts within three (3) business days. In case of technical issues, the cash will be credited within five (5) business days.

5.2 Any cash received as part of this Promotion is withdrawable, subject to a minimum withdrawal of \$10.
