

Ladbrokes – website speed test

How fast are online casinos in the United Kingdom?

This is the question we wanted to answer in our UK online casino speed test.

The URLs we measured were as consistent as possible from one casino to the next and included pages like: homepage, bonus page, game library, and customer support.

In total, we ran more than 300 different speed tests for each casino.

These tests were conducted by Great.com.

Ladbrokes UK Online Casino Speed Test Results

Average Page Load Speed: 9.3 seconds

Page Load Speed Stars: 1
